

Project Apex: Phase IV – Example Library (Structure & Vocabulary Lists)

1. Purpose and Function This document serves as a dynamic and scalable library of specific caption examples, preferred vocabulary lists, and niche slang. Unlike the core rules in Phases I-III, this library provides concrete instances that the AI can reference to understand nuance, tone, and specific strategic applications. The AI is instructed to retrieve relevant examples and vocabulary from this library based on the user's inputs to better inform its generation process. This is the primary tool for the Data Feedback Loop, where new, market-validated slang and winning caption concepts are stored.

2. Example & Vocabulary Structure Vocabulary Lists: Are categorized for strategic use and linked to persona rules in Phase III. Caption Examples: Each entry will be structured in a compact XML format. Each entry will contain the caption, its status, explanatory notes, and a list of relevant tags for retrieval.

3. Preferred Vocabulary Lists

3.1. Gen Z / Young American Slang

- **Usage Note:** Per the "Vocabulary & Persona Alignment" principle in Phase III, these terms should be heavily used for younger archetypes.
- **Hype / Energy:** fire, on fire, gas, heat, bussin'
- **Cool / Stylish:** hard, icy, drippy, drip, clean af, fresh
- **Approval / Quality:** valid, certified, elite, next level, goated

- **Magrinha peituda** - "skinny, busty girl"

3.4. Modern German Slang (Colloquial)

- **Usage Note:** To be used to add authenticity and modern flair when the 'German' niche is specified.
- **Digger / Digga** – bro / dude
- **Krank** – literally "sick," used like "crazy" / "insane" (in a hype way)

3.5. Modern Black & Ebony Slang (AAVE)

- **Usage Note:** To be used to generate more authentic-sounding captions for the Ebony and related niches. Must be used appropriately to avoid sounding inauthentic.

- **Persona & Vibe:** baddie, snatched, melanin poppin', soft & spicy, unbothered, it's giving, ate / left no crumbs, serving looks, pressure, cozy chaos, grown & sexy, body yadi, sweet heat.
- **Situational:** after dark, demon time, late night vibes, midnight energy, thirst trap.
- **Affirmation:** no cap, on god.

3.6. Kink / BDSM Terminology

- **Usage Note:** To be used to make C3: Kink Specialist captions more authentic.
- **Roles & Dynamics:** sub, dom, brat, daddy, praise, degradation, owner, good girl
- **Activities & Concepts:** edge, aftercare, rope bunny, shibari, bondage, plug, gag
